The Planets - How do they act?

Say 'Yes' or 'No'

397.) For a birth according to birth time, according to longitude and latitude of a place, Lagna is formed. The lagna thus formed is taken as first house, the other houses are calculated and the planetary positions are fixed in the Rasi chart. Then the prediction is made on the characteristics of the 12 houses and the planets connected with them

i) The 1st house tells about the **Native** himself.

A) Yes B) No ☐

ii) The 2nd house about his dhana, speech, family

A) Yes B) No ☐

iii) 3rd house about younger brother

A) Yes B) No ☐

iv) 4th house about mother, education, vehicle

A) Yes B) No ☐

v) 5th house about children

A) Yes B) No ☐

vi) 6th house about **Debt, disease.**

A) Yes

B) No

☐

vii) 7th house about **life partner**

A) Yes

B) No

☐

398) Moon, Star lord of Rohini is lord of 12th to Simha lagna, thereby a Vryadhipathi. Unless, Moon occupies favourable houses 2-10-11 or in the stars of lords of 2-10-11, Moon will compel Venus to give the results of its 12th house, only to result in total destruction.

A) Yes

B) No

☐

399) In the same manner, Mars is star lord of Mrigasira, Mars is badhakadhipathi (lord of 9) for Simha lagna. Mars too, if he is an occupant of 5-8-12 or in the stars of lords of 5-8-12. Venus will not only destroy the profession, but also cause danger to the very life.

A) Yes

B) No

☐

400) On the predictive side, without making a deep analysis, expressing several views contrary to each other, has weakened astrology, a superbscience, resulting in the spread of a false notion that Astrology is only superstition.

A) Yes

B) No

☐

401) When Rishaba Rasi matters as 10th house and relevant to Venus in the 10th in his own house, to foretell that Venus will give a very favourable profession with very good profits, whereby the Native will lead a prosperous life is not at all an intelligent approach to the Predictive Astrology is hereby well explained.

A) Yes

B) No

☐

402) As explained above when the 10th house falls in Mesha- Venus star-Venus sub area, depending on the nature of Lagna lord the profession indicated will be connected with four wheeler motors, hotel, cotton or yarn trade etc.

A) Yes

B) No

☐

403) If the 10th Sub area is saturn - the profession is set to handle sales of once used iron or similar to it. Saturn indicates old materials. Once used, second hand materials all related to iron. Therefore, any house, that falls as 10th house as explained above., to the level of sub only a profession will be set.

A) Yes

B) No

☐

404) If the 10th sub area is Mars - profession is set to be Building construction, Engineering etc.

A) Yes

B) No

Saturn, lord of 10-11 stationed in Dhanus aspects this Mercury by its 10th aspect, or stationed in Cancer aspects this Mercury by 3rd aspect, during Saturn Dasa Mercury bukthi or Mercury Dasa Saturn bukthi or Mars Dasa Saturn bukthi, Mercury anthara this Native will face imprisonment or face harassment in any manner from the Government. The same Mercury, if it had the aspect of Jupiter, inspite of Jupiter being a Vryadhipathi, situations like imprisonment, harassment etc, can never happen.

A) Yes

B) No

☐

407) About Rahu/Kethu, details are explained separately. Similarly, aspect from Uranus is considered to be good whereas aspect from Neptune is considered to be harmful. But, Jupiter the mighty benefic, when reckoned from Lagna, if it is lord of houses 6-8-12 or deposited in the stars of lords

6-8-12, during that respective Dasa/bukthi, Jupiter loses its benefic qualities and others only harmful results as a full fledged malefic. The same is true for other benefics like waxing Moon, Venus and Mercury.

A) Yes

B) No

408) But Saturn, Mars, Sun as we know of them as malefics, Saturn except for Chara Rasi lagna borns - that is Mesha - Karkata - Thula and Makara - in all other 8 signs if stationed in 2-3-10-11 houses or depeated in the stars of lords of 2-3-10-11 houses, and also running the respective Dasa/bukthi, this Saturn is transformed as a benefic and others unlimited

A) Yes

B) No

409) Therefore, in terms of planetary aspects, Jupiter, Venus, Moon and Mercury will always be known as benefics. Likewise Saturn, Mars, Sun will always be known as malefics in terms or aspects.

A) Yes

B) No

bukthi. All planets signify houses 4 and 9 ,
4th means lower level and 9th means higher
level education. So the Native must have had
a higher level education upto his youth age.
